TONIGHT sees the completion of the ninth sponsored MANX CUP COMPETITION. Once again this excellent sponsorship by the Isle of Man Department of Tourism has enabled Lancashire Clubs to enjoy a competitive pre-season tournament.

It has been pleasing to see the spectator support at these games and there has been some outstanding entertainment at all the games. Naturally all the Clubs are preparing for the start of the football season next Saturday. The opportunity to watch new signings in action and the competitiveness of the games helps prepare Clubs for The Football League programme.

A major feature of the competition is the magnificent trophy the winners receive. They are allowed to retain it for twelve months and receive a miniature as a permanent keepsake to recognise their success in winning this wonderful cup.

Originally it was purchased in 1878 for £160 and first won by Darwen FC who defeated Blackburn Rovers FC 3-0 before a crowd of 9,000

with gate receipts of £1600 which helped to support the clubs throughout the years.

One of the most interesting trophies was Morecambe's Burnley side in 1967/8 when they were a non-league team to win it.

The most victories in the competition have been recorded by Blackpool with 11 wins. Tonight is the 10th time it has been played for in its existence.

Both these Clubs play in the 1988 Final Tie when Blackpool beat Preston North End by 1 goal to nil, a crowd of 5,757 people.

They have both won the competition twice, Bolton Wanderers having done so in 1982 and 1986, Preston North End having done so in 1984 and 1987.

Once again the Association would like to thank our sponsors. The Isle of Man Department of Tourism continue to support the competition and it is very much appreciated that they are able to participate in the tournament.

- Councillor F. Kennish, the Mayor of Douglas, presents the Manx Cup to the Blackburn Rovers Captain and the end of the 1989 Final.

CUP ACTION
AT BURNDEN PARK

Tonight's game sees a repeat of the 1988 Manx Cup Final here at Burnden Park, with Group winners Bolton Wanderers and Preston North End in Cup action.

Bolton Wanderers had to beat Burnley in the final Group B match to reach this Manx Cup Final. Any other result and they would not have qualified.

Preston North End were the leading goalscorers in the competition and recorded an outstanding victory against Blackburn Rovers by scoring 4 goals to put them top of their group.

After a slow start the games saw plenty of goals and this provided great excitement for the spectators who have given the competition tremendous support at each game.
